CORE VALUES

INNOVATION

We constantly innovate our manufacturing activities to produce "Better & Best" Fabrics. We strive to create an environment that cultivates new ideas by encouraging all employees in forward thinking and take a comprehensive view of our work. Our greatest strengths is the ability to collaborate amongst our multi-disciplinary staff which leads to unique perspectives, original solutions and pioneering work.

PASSION

We embrace our work with passion and enthusiasm. Passion drives the attention to detail and desire for success that ensures excellence. Passion is contagious and inspires others to work with the same energy and dedication.

INNOVATION

We recognize that all of our work must be conducted honestly and transparently. We are committed to work responsibly with integrity. We understand that for successful collaboration it requires an environment that promotes communication and respect, which allows diversity in creative ideas.

TEAMWORK

To compete successfully in a large-scale market place, diversity in our workforce and teamwork among our employees is essential. We have a battery of Technicians having a long association with us and who have high degree of command over their respective subjects related to various aspects of Fabrics and Garments.

QUALITY POLICY

Quality is an integral part of our commitment. Our responsibility is to ensure that through established standards and measurements, the level of quality at our organization matches or exceeds our client's expectation. We develop quality awareness through various improvements & training process for the development of our employees. Each employee is responsible for quality. Internal quality audits and management reviews for quality improvement is conducted periodically.
